

Credit Crunch — Need Credit Control?

Established in 1993, Eagle Consulting has over 15 years experience in providing outsourced Accounting, BACS, Payroll and Tax Services to a variety of businesses, both large and small, throughout the UK. But did you know that we also operate a full credit control service?

As banks increasingly restrict the supply of credit, the phrase 'Cash is King' should be a predominant financial target. Our dedicated credit control team is available to work on your behalf to achieve this. Following tailored procedures we will recommend a competitive service plan to suit your needs that requires from as little as a few hours a week upwards and links seamlessly with a leading Debt Collection Agency.
